THE WHITE HOUSE  
WASHINGTON

November 28, 1975

Dear Ray:

Many thanks for your good wishes and for letting me know of Larry Robinson's interest in the NSC. I have been out of the country and apparently missed his call. Although I regret that there is no present requirement for additional staff, I will certainly keep him in mind should an opening develop. In the meantime, if he is in the area again, he could contact Mrs. Jeanne W. Davis, Staff Secretary (395-3440).

Nice to hear from you, and best regards,

Sincerely,

  
Brent Scowcroft
